

# Excess speed...

- is a major factor in preventing people from enjoying the environment they have chosen to live in.
- has an impact on the lives of people within local communities.
- also contributes to the severity of any road traffic collision.

Suffolk Police are committed to working with Roadsafe partners to achieve casualty reduction targets, and “reduce the number of people killed and seriously injured on our roads”

The police aim to provide the right level of reassurance and enforcement. But officers cannot carry out speed enforcement checks in every community that wants them on a regular basis. This is where working together can help.

We need to enhance our existing methods and want to include the community by recruiting volunteers to be part of our Community Speed Watch initiative.

SEP20

## How it works:

- Trained volunteers verify and record the registration numbers of offending vehicles.
- These details are forwarded to Suffolk Police who will send offenders a letter.
- A maximum of two letters will be sent to offenders.
- Persistent offenders may be targeted for police enforcement.
- Follow-up work on education and enforcement by Suffolk Police and our partners will also take place as appropriate.

## JOIN COMMUNITY SPEED WATCH

If you are interested in setting up a scheme in your town or village or joining an existing scheme:
